

**Village of Empire  
Water Committee  
April 27, 2022**

Meeting was called to order at 10:00 AM.

Members present: Rademacher, Palmer, Barr. Friend and Acton were also in attendance.

- The committee reviewed the current water hook-up fee of \$1,600.
- Friend supplied a spreadsheet, encompassing all costs associated with hooking up water.
- It broke down costs of 3 different scenarios:
  1. Installation pre tapped
  2. Installation not tapped main side of road
  3. Installation not tapped opposite of the road. (It was noted that the cost of boring under the road has significantly gone up).
- After discussion, the recommendation of the committee is to set the hookup fee at \$2,100.
- Friend will update the spreadsheet with this rate and will review total costs for accuracy. (Some costs may have gone up since creating the spreadsheet in 2021).
- Final review of the hookup fee is scheduled for the Village Council Work Session on May 12<sup>th</sup>, 2022.

Meeting adjourned at 11:00 PM.

Respectfully submitted,  
Alacia Acton
